Dear all,

Greetings from ISBA!

We are glad to present to you the annual report of ISBA from Apr 2019 to Mar 2020. This year started off with a successful ISBA Annual Conference - ISBACON 2019 and was filled with numerous programmes. ISBA activities and programs were centered around engaging with various stakeholders, capacity development of incubation managers and thereby ensure a vibrant startup ecosystem in the country.

ISBA is proud that it could carry out all its planned initiatives with the wholehearted support of all stakeholders concerned in an effective manner. The feedback received from various partners and members is very encouraging and helps ISBA to rededicate its efforts. Networking and inducing varied exposure were other objectives of our Member Connect Programmes and Pre-Conference Workshops conducted during this period. Apart from this, ISBA had signed Memorandum of Understanding with Kerala Startup Mission, Government of Kerala, and MeitY Startup Hub under the aegis of Ministry of Electronics and Information Technology (MeitY), Government of India.

With the support from NSTEDB, DST, Government of India and BIRAC, ISBA participated in international programmes that include 5th edition of India International Science Festival (IISF) 2019 and Global Bio-India 2019 for ISBA Member Incubator Startups.

We acknowledge the contributions of the member incubators across the country and we wholeheartedly thank the CEOs and their team for their association with ISBA as Partners, Sponsors, Resource Persons, Organizers, Representatives in Committees, and various other roles.

With a deep sense of belief that every successful effort radiates to a positive outcome, I look forward for many such vibrant outcomes in the future diaries of ISBA too.
