ABOUT ACROPOLIS INSTITUTE OF TECHNOLOGY AND RESEARCH

Acropolis Group of Institutions, founded in 2005 in Indore, is renowned for its quality education and industry-relevant curriculum. Offering diverse programs in engineering, management, pharmacy, law and more, It bridges academia and industry through qualified instructors, advanced labs, and practical teaching.

ABOUT AICTE IDEA LAB

Acropolis Institute of Technology & Research, Indore, was selected by AICTE to establish an IDEA Lab, enhancing STEM learning through hands-on experience and creativity. This lab fosters 21st-century skills like critical thinking and problem-solving, aligning with NEP 2020's goals for holistic education.

ABOUT THE CONFERENCE

In the 21st century, innovation and entrepreneurship are crucial for economic growth, social progress, and sustainability. NEP 2020 emphasizes nurturing creativity and critical thinking to foster innovation, aiming to develop problem-solvers who can drive national progress. Traditional education is insufficient in a rapidly changing world; institutions must focus on critical life skills like adaptability and digital literacy to prepare students for future challenges.

In response, Acropolis Institute of Technology and Research is organizing the International Conference on Innovation, Incubation, and IPR (ICI³2024: Promoting Sustainability and Self-Reliance). This event aims to foster entrepreneurial transformation in education by bringing together thought leaders, practitioners, and aspiring entrepreneurs to create a vibrant ecosystem for innovation and sustainable development.
